## Howard County project to improve road crossing

ELLICOTT CITY, MD – A Howard County construction project to provide a safer pedestrian crossing on Green Mountain Circle in the vicinity of Windstream Drive in Columbia is scheduled to begin on or about Tuesday, September 29. The project will include construction of a crosswalk and a pedestrian refuge median. Weather permitting, the project is expected to be completed by early October.

Signs and flagging operations will be in place to advise motorists of the construction and to direct traffic as needed.
